

Mike:

Thank you for your stellar performance at our annual NAMA Coffee, Tea and Water show. Your programs really got the message across and your ability to get the audience engaged in the moment was fabulous! As your keynote sponsor, I want thank you for your creativity in endorsing our company and our goals to all the attendees! It flowed, fit the moment, and coming from you, gave us instant credibility. I have already recommended you for next year's NAMA program.

Thanks Mike,
