

Mike Hourigan, Global Shipping Services, LLC Endorsement

Global Shipping recently had the pleasure of having Mike Hourigan present on two topics: Negotiation and Interviewing and Hiring. The audience feedback was excellent. Mike Hourigan's presentations were customized and specific to our situations, filled with important information and highly entertaining. The topics presented complimented the overall mission and vision of Global Shipping. Mike presents with charm, humor and yet, great respect and empathy. Some of our team members were using his tools before the meeting even ended!
