

The Women in Agribusiness Summit attendees rated Mike Hourigan as one of the top speakers at our Fall conference. Mike's **Negotiation Skills** presentation contributed real-world business advice that the members could put into practice, and the audience enjoyed his down-to-earth, ego-free, humorous delivery. Working with Mike on the speaking engagement details was easy, and our post-event survey shows that the Women in Agribusiness want him to return in the future.

Joy O'Shaughnessy
Chief Operating Officer, Agribusiness
